**Fees**

The fee includes: workshop instruction and if noted, an orientation get together. It does not any include workshop supplies, lodging, food, airfare, or any other expenses.

**Cancellation and Refund Policy**

Tuition is refundable up to 30 days prior to workshop less a \$50.00 administrative fee that will be retained for any and all cancellations. There is considerable work involved in registering and accounting and corresponding with folks to make this charge valid. Often other people are turned down because the class is full and it is a loss when the space cannot be filled. For cancellations less than 30 days before the workshop begins, tuition is non-refundable, unless a waiting list participant takes your place. No refunds will be given for no-shows or withdrawals after a workshop has begun regardless of the reason. In the rare case a workshop is cancelled due to the illness of instructor or due to insufficient enrollment, students will receive a full refund. We recommend you purchase refundable airline tickets or purchase travel insurance to cover the cost in case your workshop is cancelled.

## **Please Read and Sign this Agreement/Hold Harmless**

*Your participation in Stan Sperlak's Workshop is appreciated, and we will work hard to ensure a great experience, however there are always situations beyond our control and each student needs to be responsible for their actions and precautions when working with art supplies, working outdoors and traveling. Stan Sperlak and sponsoring workshop entities have taken much care in providing suitable places to paint and study and be safe from adverse conditions.*

*Some of these things, but not limited to, are the presence of insects and wildlife, natural flora and weather. If we go outdoors to an off-site location, be careful of natural uneven ground, holes and things you may trip on. Do not climb stairs if you cannot. Remember sometimes we are at places like a beach, field-side, road-side, town park etc and many things are temporary in nature and there is traffic and others working. Also, be aware your equipment at all times, as we cannot be responsible for any loss.*

*Use sunscreen, drink plenty of water, use insect repellent, stay out of high grass, don't put your bags in high grass, brushy areas (poison ivy etc), sit occasionally. Dress accordingly and remember there are tidal waters in many places, and rivers in others. Please shower or scrub daily and before eating to keep pastel dust and other ointments out of your food.*

*Therefore, by signing this, I, the undersigned agree to release from responsibility and hold harmless Stan Sperlak, Crow Creek Farm, Goshen School of Art and any hosting facility and all of their employees and collective heirs for any losses, delays, damage or injury I may incur or sustain as a result of accident or negligence beyond their control and I accept full responsibility for all the risk inherent in attending an outdoor/indoor painting workshop and any form of travel. I also allow the use of my likeness in any workshop related publicity photos.*
